PROFILE

UI/UX designer with 2+ years of experience designing and building websites and web apps for service businesses, from research and wireframes to Figma prototypes and live, coded sites. Works across design and development, including booking systems, e-commerce and interactive 3D web experiences, with a background in ad creative and campaign management.

EXPERIENCE

Freelance UI/UX Designer — Dr. Aryan Mehta, Cardiology Clinic 2026
Designed a trust-first medical website: hero section, floating stat cards and a conversion-focused layout built with Lovable. Structured navigation so patients can find what they need in under 3 seconds.

Freelance Brand Identity & Web Designer — A1 Guard (car PPF brand) 2025
Created a full brand identity system and redesigned the website. Delivered wireframes and Figma prototypes before handoff.

Freelance UI/UX Web Designer — Maulika Sharma, Fitness Coach 2025
Designed a conversion-focused, mobile-first coaching website with a warm visual identity. Mapped client journeys to reduce friction from discovery to booking.

Freelance UI/UX Designer — Tatvika 2024
End-to-end website redesign: user research, wireframes and high-fidelity Figma prototypes, with a clearer information hierarchy and stronger visual design.

UI/UX Design Intern — Brain Quest 2024
Contributed to product design sprints: user flows, low-fidelity wireframes and usability test documentation. Supported senior designers with UX research findings and design iterations.

Ad Creative Designer & Campaign Manager — Meta & Instagram Ads 2023 – Present
Plan and run campaigns across conversions, engagement, reach and retargeting. Design scroll-stopping ad creatives using UX principles.

SELECTED WEBSITES & WEB APPS (2026)

Teslife — Tesla wrap, PPF & parts shop, Vaughan, Canada teslife-nine.vercel.app
App-style site with a wrap configurator (pick a Tesla, tap a shade, the 3D car repaints), searchable services and parts, and a 3-step booking flow with a capacity-aware calendar, booking tracking and light/dark themes. Next.js, Tailwind, three.js, Supabase.

LL Limitless Luxuries — pre-owned luxury cars, Mumbai (redesign) ll-redesign.vercel.app
Dark "night showroom" redesign with quick-commerce style navigation: sticky search, category rail, shortlist, filters, EMI calculator and a drag-to-rotate 3D hero. React, Vite, three.js.

The Broker Street — property listings portal, Mumbai thebrokerstreet.vercel.app
Property portal with map search, listing pages, owner posting, mobile-OTP login, and an admin with bulk CSV/Excel import, review queue and leads inbox. Security enforced in the database. Next.js, Supabase, Leaflet.

Fortune Detailing Studio — car detailing booking site fortune-detailing-studio.vercel.app
Live-calendar booking with capacity rules, WhatsApp confirmation and a private admin panel for bookings, holidays and walk-ins. HTML/CSS/JS, Vercel serverless.

Ace Car Spa — mobile detailing, Toronto acecarspa-demo.vercel.app
Garage-location landing page with size-based package pricing, a fixed-price quote form and memberships. Astro, React, Tailwind.

Meridian One — 42-floor residential tower, Mumbai builder-psi-lime.vercel.app
Scroll-driven 3D site that builds the tower floor by floor, with residence selection, amenity fly-through, connectivity map and enquiry form. three.js, GSAP.

A1 Guard 3D — paint protection film studio a1guard-3d.vercel.app
Scroll-driven WebGL car studio with a package configurator for PPF coverage, finish and heat-control film. three.js, single-file build.

Ace Autos — car window film & lighting store (E-commerce) aceautos.in
Shopify store with 100+ products and per-vehicle pricing by make, model, film range and sunroof option.
